

Aleda Patterson School, Edmonton, AB

Elementary school serving kindergarten to grade 3.

Products Used

- IR-800 Classroom Voicelift System

Purpose

Enhance student learning by improving teacher voice projection, class coverage, student attention with the new Classroom Audio system

Challenges

No challenges for installation of the IR-800 voice lift classroom system.

Solution

The IR-800 voice lift is the standard for Edmonton Public Schools. This school board is a strong supporter of the TOA voice lift system, and continues to add to multiple schools. It believes in the improvement in student learning because of enriched sound classroom.

Feedback

The standard continues to be appreciated by teachers and students. Other boards are now also choosing TOA IR-800.
