

City of Lethbridge City Hall, Lethbridge, AB

The Lethbridge City Hall hosts regular council meetings with the Mayor and Council.

Products Used

- A-9240SHM2: Modular Digital Matrix Mixer/Amplifier
- PC-580RU Series: Ceiling Mount
- TS-900 series

Purpose

City hall was in need of an upgrade in the sound system in council. They need better sound quality throughout the chamber and the ability to have a conference system that can be controlled and provide clear speech.

Challenge

The challenge was removing the old system and managing the TOA equipment with the same space.

Solution

Working with the installer, TOA used the TS-900 series for the councillors and the amplifier and speakers for increased sound quality and sound dispersion.

Feedback

The city and councillors were very happy with the new system and the improved sound quality.
