

Collège Saint-Louis, Lachine, QC

Collège Saint-Louis is a public school located in Lachine, Quebec.

Products Used

- [HX-7B Compact Line Array Speaker](#)

Purpose

While Collège Saint-Louis was reviewing their gymnasium sound equipment, they had decided to replace their aged EV Horn-loaded 15" loudspeakers. They required a solution that would produce superior sound quality.

Challenges

Considering the conditions of the gymnasium, the replacement speakers had to be capable of dispersing intelligible, high-quality sound vertically with minimal-to-no reverberation.

Solution

TOA's HX-7 was the ultimate solution! The HX-7 Variable Dispersion Speaker offered the right amount of flexibility to disperse audio at the perfect angle while producing powerful, intelligible audio.

Feedback

Collège Saint-Louis was thrilled with their newly replaced loudspeakers. The upgrade has enabled the school to provide immersive audio for all events and daily activities.
