Products Used

- VM-2000: Multifunctional Amplifiers
- PJ Series: Wide Range Projection Speakers
- SV-200MA: Surveillance Board

Purpose

The college required a campus wide paging system installed.

Challenge

There was no real challenge.

Solution

The Amplifiers are installed throughout the campus allowing the controller to perform multi-zone paging, for everyday paging and emergency paging. The speakers were strategically placed to perform at a high efficiency and provide the clarity needed in the college.

Feedback

The School administrators were happy with the overall TOA service and thrilled at the end results of the products' performance.
