

Greater Moncton Roméo LeBlanc International Airport, Moncton, NB

Located in the city of Dieppe 7.4 km east northeast of downtown Moncton, New Brunswick. The GMIA handled 665,630 passenger and 111,887 aircraft movements yearly on average.

Products Used

- N-8000: IP intercom system
- PC-580RU Series: Ceiling Mount
- A-9000M2 Series: Modular Digital Mixer/Amplifiers

Purpose

Outfitting the Greater Moncton International Airport with a Public Address System, along side an IP Intercom System.

Challenge

There were no real challenges at this job. The project was a full install of TOA products and went fairly smooth.

Solution

Using various TOA IP intercom products for the secure intercom system while using our reliable ceiling speakers and amplifiers to provide a reliable public address system that ensured intelligible communication throughout the airport.

Feedback

Using TOA products, the installation team did an excellent job. The project was a success and works wonderfully.

About TOA Canada Corporation
