

High River Council Chambers, High River, AB

High River is a town within the Calgary Metropolitan Region of Alberta, Canada with a population of 13,584. It is 67.7 kilometres south of the City of Calgary

Products Used

- TS-900 IR: Delegate units
- TS-900 IR: Chairman unit
- F-122C: Ceiling Speakers

Purpose

Equip the council chamber with a more modern audio system, to provide better sound quality and better dispersion throughout the chamber.

Challenge

There was no challenge.

Solution

TOA suggested the TS-900 Infrared series Conference System. By utilizing delegate units and chairman unit the councillors were able to communicate effectively while controlling to speaks. The chamber was also equipped with F-122c ceiling speakers for increased sound dispersion.

Feedback

The council was very satisfied with the excellent results.
