

Ladner Leisure Centre, Delta, BC

The Ladner Leisure Centre is a recreation centre located in Ladner, a community in Delta, British Columbia. The facility contains an Ice rink and two swimming pools, a 6 lane, 25 metre competition pool as well as a wading pool for casual use. During the summer months the ice is removed and surface is used for lacrosse.

Products Used

- HX-5: Variable Angle Speakers
- FB-120: Subwoofer
- DA-550: Multi-channel Digital Power Amplifiers
- D-901: Digital Modular Mixer
- D-911: Remote Controller

Purpose

The Centre needed a reliable and intelligible Public Address and Paging system.

Challenge

There was no challenge.

Solution

TOA recommended the combination of HX-5's speakers and FB-120 subwoofers power by the DA-550 multi channel amplifier. This is a classic set up for many arenas.

Feedback

The intelligibility of the system has been dramatically improved over the original installation, and the fans, patrons and facility management are pleased with the installation.
