

London Middlesex County – Adelaide Metcalfe, ON

Adelaide Metcalfe (2016 population 2,990) is a township in Middlesex County, Ontario, Canada. It was formed on January 1, 2001 through the amalgamation of the former Township of Adelaide and the Township of Metcalfe. It is part of the London census metropolitan area.

Products Used

- TS-820 Conference System, Delegate and Chairman units
- Additional the PTZ Optics camera

Purpose

The Municipality was in need of updating their conference system to increase productivity and deliver better sound. They also required a camera to work with the conference system that displayed the image of the speaker and quickly adjusted as the presenter changed.

Challenges

There were no challenges besides ensuring they had confidence in the products we recommended.

Solution

Our team recommended the TS-820 IR conference system with the addition of the PTZ optics camera. TOA demonstrated the conference systems audio and how it integrated with the PTZ optics camera with a demo displaying the speaker on a large screen. We also provide the support on the operation and set up of the system.

Feedback

The council was very happy with the results and the clear intelligible audio.
