

## Moisson Montréal, QC

Moisson Montréal is a registered charitable organization. They gather food donations and basic products all year long, and distribute them free of charge to community organizations on the Island of Montreal. They distribute 20.4 million kilos of food yearly.

## Products Used

- A-824D Digital Mixer Amplifier
- FB-3862CU Ceiling Subwoofer
- F-2352C 2-Way Wide-Dispersion Ceiling Speaker
- PE-304 Pendent Speaker
- WS-5225 Wireless Kit

## Purpose

The Moisson Montreal, host many volunteers on a daily basis, and want to ensure that the communication within the building was up to date and effective. They wanted an improved Background Music System and a clear intelligible Public Address system for the safety of everyone in the building.

## Challenges

The design and installation itself was fairly straight forward with no real challenges.

## Solution

By utilizing the project design in conjunction with the integrator and the equipment recommended by TOA Canada, the overall solution provided the BGM and PA system required by the facility.

## Feedback

The sound and clarity was amazing and the ability for all individuals to hear announcements throughout the building reduced the anxiety of management.
