

Séminaire de Sherbrook, Sherbrook, QC

Séminaire de Sherbrook is a private institution offering education to secondary, collegial and continuing education students. They have the highest of standards when providing education to their students.

Products Used

- N-8000 - IP Intercom
- N-8400RS - Sub Station Interface Unit
- N-8000AF - Audio Interface Unit
- RS-150 - Substation
- DA Series Multichannel Power Amplifier
- SC Series Paging Horns
- PC Series Ceiling Speakers

Purpose

To provide an Intercom and public address system to communicate throughout the institution.

Challenge

The school required a retrofit intercom system using the existing cabling of the old intercom system. From here, they integrated public address with the intercom system.

Solution

TOA's N-8000 IP Intercom System integrated seamlessly with the old cabling at the institution. The Intercom system allows the school to provide communications from the substations to the master stations, control doors, bell signalling, recording of conversations, and provide paging broadcasts throughout the facility. TOA's Paging Horns and PC Series Ceiling Speakers were installed to provide intelligible, crystal clear sound. The DA Series Multichannel Power Amplifier was selected to power the speakers.

Feedback

The intercom system provided the security and access control the administration was looking for. Also, the speakers and horns used throughout the school provided the clarity need for messages to be heard.

About TOA Canada Corporation

TOA Corporation was founded in Kobe, Japan over 80 years ago. TOA operates in over 100 countries worldwide, with manufacturing facilities found in nearly every major market area. These facilities have a reputation for precision design and fabrication, resulting in a proven track record of TOA product reliability.

TOA Canada Corporation was formed in 1990 as a complete sound solutions provider, specializing in commercial audio, including, public address, voice communications, voice evacuation and emergency paging requirements.
