

## Souris Regional School, Souris, PEI

Souris Regional School is located in Souris, Prince Edward Island, Canada. They offer grades kindergarten through twelve.

## Products Used

- IR-800 Kit 2

## Purpose

Being a new school, Souris Regional understood the importance of focusing on their students' learning outcomes. With this in mind, they wished to incorporate VoiceLift technology in their classrooms to help fully immerse students in their everyday lessons.

## Challenges

Due to the nature of TOA Canada's equipment, the installation was a breeze and no real challenges were faced. TOA worked closely with the engineer on the design and specifications.

## Solution

TOA's IR-800 Kit Two was chosen for its ability to wirelessly provide reliable, clear, interference-free voice transmission in the classrooms.

## Feedback

The Souris Regional School faculty are extremely happy with the newly installed systems. The IR-800 setup allows them to teach more effectively and improve their student's learning outcomes immensely.
