

## Bronte Creek Provincial Park, Burlington, ON

Bronte Creek Provincial Park is home to an incredible outdoor recreational area, featuring a day-use area with a man-made swimming/wading pool, skating rink, basketball courts and more.

## Products Used

- 9000M2: Series Pre-Amplifier
- F-2000BTWP: Wide-dispersion Speaker System
- CS-304: Wide Range Weatherproof Speaker
- CS-154: Wide Range Weatherproof Speaker
- DA-500F-HL: Multichannel Power Amplifier
- EV-20R: Sound Repeater
- Q-RM9012: Remote Microphone
- DT-930: AM/FM Synthesizer Tuner
- F-1300BTWP: Wide-dispersion Speaker System

## Purpose

The outdoor area is very large and the facilities existing paging and background music system was not effectively covering the vast area. Wanting to provide intelligible communications across the facility, Bronte Creek Provincial Park wanted to upgrade their existing system.

## Challenge

The existing sound system wasn't capable of covering the required area, so it needed to be upgraded. The upgraded system needed to be powerful enough to produce clear and strong audio throughout the expansive park.

## Solution

The combination of TOA products installed at Bronte Creek Provincial Park produced clear, strong, and reliable audio throughout the entire park.

## Feedback

The Bronte Creek management was very pleased with the TOA equipment they chose to provide background music, paging, and most especially emergency paging. They are confident that their customers will have an enjoyable day at their facilities while being kept safe and effectively communicated to in all sorts of emergencies or daily communications and announcements.

## About TOA Canada Corporation

TOA Corporation was founded in Kobe, Japan over 80 years ago. TOA operates in over 100 countries worldwide, with manufacturing facilities found in nearly every major market area. These facilities have a reputation for precision design and fabrication, resulting in a proven track record of TOA product reliability.
