Jaguar Dealership, Laval, QC

Jaguar Laval is located off of Autoroute 440 between Chomedy Boulevard and Carrefour Laval, making it a prime location. Jaguar Laval offers their customers seasoned sales professionals, refreshments, and an extensive line-up of the most recent Jaguar vehicle models.

Products Used

- F-2322C: Wide-Dispersion Ceiling Speaker
- DA-500F-HL: Multichannel Power Amplifier
- M-900MK2: 8-Channel Mixer Preamplifier

Purpose

Jaguar Laval wanted to create a fantastic background music system to improve their customer's experience while visiting the dealership. They needed a new system capable of producing high-quality sound while maintaining a balanced coverage throughout the dealership.

Challenge

It was important to match the style and quality of the dealership, so the placement of the speakers needed to be kept discreet. The system also had to be easy to operate and produce intelligible audio throughout the entire dealership.

Solution

The F2322 ceiling speaker provided a clean design and reliable sound, while the DA-500F-HL provided an interface that was both easy to use and adjust.

Feedback

The Owner of Jaguar Laval was extremely happy with the great look of the installed equipment and the fantastic sound quality.
