

Council Chamber Town Of Olds, Alberta

Olds is located 59 km south of Red Deer, 90 km north of Calgary. Olds is home to 9,184 residents who feel they have the best of both worlds with a small town feel and big city amenities. Town of Olds Council consists of a Mayor and six Councillors

Products Used

- TS-920RC Conference System Central Unit
- TS-921 Conference System Chairman Unit
- TS-922 Conference System Delegate Unit
- TS-924 Conference System Long Microphone Unit

Purpose

After a long run in the council chamber the highly efficient TOA TS-770 conference system was due for an upgrade.

Challenges

The town needed a new system that would be more flexible and promote physical distancing. Council looked for a sleek design and high performance in sound and voice clarity. Budget was also a key consideration for the group.

Solution

Options were varied from different manufacturers, and in the end the council chose TOA Canada's new TS-920 Infrared conference system. The modern looking system delivered on improved sound by offering feedback suppression and uniform sound volume. The added functionality of voting and recording was a great addition to future council meetings.

Feedback

Installation was done with little issues and the council team was very excited to begin utilizing the new system. Members of council are very happy with the system and the features and find meetings and voting are more efficient.
